

February 2017

Dear Friend,

Since 2010, through your generous support, Friends of Easttown Library has raised more than \$175,000 for our beloved Easttown Library. Our goal for 2017 is to make an additional donation of \$25,000. These funds will be used to:

- Provide teen books and access to Britannica Library Online
- Purchase eBooks through *OverDrive*
- Support a wide variety of adult and youth programming
- Fund staff CPR training and AED equipment and maintenance
- Sponsor the Pals for Life *Reading with Animals* program and enhancements to the Youth Services aquarium

This season, we are raising funds through events such as secure document shredding, semi-annual book sales, *The Easttown Open* mini-golf event, festive raffles, Handel's Homemade Ice Cream & Yogurt pint card sales, our *Alfred Hitchcock Film Festival*, and a *"What's in Your Closet?"* antiques event.

We are entering our 52nd year of continuous service and financial support to the Easttown Library. Please show your support by making a donation and becoming a member today!

Most Sincerely,

Friends of Easttown Library
