

# TWEEN/TEEN Programming (5<sup>th</sup> – 12<sup>th</sup> grades)

**November 1<sup>st</sup> – December 31<sup>st</sup>**

## TECH TUESDAY

(Registration required & begins the 1<sup>st</sup> day of the month of the program)

Tuesdays at 4:30 p.m.

### littleBits

11/14 – Catapult Arms  
 12/12 – Bug Crawlers

littleBits are electronic building blocks that are color-coded, magnetic, and reusable-great for creating inventions large and small. Join us the second Tuesday of each month for a different project.

### Cubelets – 12/19

Cubelets are robotic blocks that snap together with magnetic faces. Every unique arrangement creates a robot with different behaviors. A different project the third Tuesday of each month.

### Stop Motion Animation – 11/28

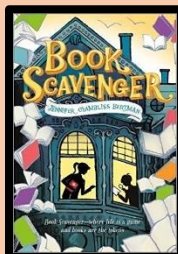

Come learn the basics of stop motion animation, by working in groups to create short animations. Fourth Tuesday of the month.

## Book Club
