January 2026

Dear Friend,

In 2026, The Friends of Easttown Library are celebrating **61 *Years!*** of continuous service and financial support to our beloved Easttown Library. We are so fortunate to have Easttown as our local public library. It has always been a warm and welcoming place and an invaluable community resource.

****

Last spring, thanks to your generosity, we were able to donate $26,000 to the library. This contribution was used to add titles to the eBook and eAudiobook collections, to support the Library of Things, to continue offering passes to numerous local museums and parks, and to enhance a wide variety of youth and adult programming, including Crafting Corner, STEM programs, musical concerts, and Chair Yoga.

As we embark on another year of fundraising, we are happy to include our monthly in-library book sales, raffle events, secure shredding, a Valentine Tea, and an exciting new spring event…stay tuned!

Our goal of support in 2026 is $26,000. With your help, we can continue our efforts to expand the library's collection of highly sought-after eBooks and eAudioBooks as well as new items for the Library of Things. Additionally, your membership will support the acquisition of print materials and a diverse range of programming. Together we can achieve this goal!

****

Please show your support by donating and becoming a member today.

With Thanks, *Friends of Easttown Library*
